

Château Bellevue

SAINT-EMILION GRAND CRU CLASSÉ

2018

Displaying a lovely garnet colour with bright glints, the wine conveys an immediate sensation of freshness together with pretty touches of black fruits.

On the palate, the characteristic verticality of the wines of Château Bellevue comes through along with savoury, velvety tannins and black fruits, once again.

The palate is underpinned by pleasant acidity, indicative of the wine's good ageing potential, while the finish reveals freshness and precision.

Harvest: from 19th September to 3rd October
Blend: 100% Merlot
